7 OUT OF 10 WOMEN AT THE AGE OF MENOPAUSE SUFFER FROM PERI-MENOPAUSE AND MENOPAUSAL SYMPTOMS

## MOST COMMON SYMPTOMS ARE:

1- Du, Li; Xu, Biao; Huang, Cheng; Zhu, Liping; He, Na. 2020. "Menopausal Symptoms and Peri-menopausal Healthcare-Seeking Behavior in Women Aged 40-60 Years

# GIVE YOUR PATIENTS THE GIFT OF RELIEF USING NEOPAUSIL®, THE INNOVATIVE FORMULATION WITH FM-MATROX TECHNOLOGY

USING FM-MATRIX TECHNOLOGY (FORMULA MODULATION MATRIX)

FM-Matrix is a blend of added vegetable oils with specific excipients that allow for greater efficacy of lipophilic substances.

FM-Matrix is a nutrition-friendly technology that provides more solubility and bioavailability of substances with low solubility in water.

**E**  
VITAMIN

Contributes to the **protection of cells** from oxidative stress

**D**  
VITAMIN

Promotes the **maintenance of bone health** and prevents and counteracts aging processes related to oxidative stress

**RESVERATROL**

Characterized by a strong antioxidant effect and an estrogenic-like structure, useful in **controlling perimenopause and menopause disorders**. It also helps to protect against cardiovascular risks in perimenopause and menopause.

Components	Amount per serving: 1 capsule	
	Quantity	NRV*
Vitamin E	36 mg	300%

Vitamin D3	10mg	200%

\*Nutrition Reference Value

MADE IN ITALY

NEOPAUSIL is a dietary supplement based on Resveratrol, Vitamin E and Vitamin D3. Patented Technology FM-LipoMATRIX improves the BIOAVAILABILITY and BIODISTRIBUTION of the ingredients as Vitamin E, Resveratrol and Vitamin D3. Neopausil is active in treatment for pre-menopausal symptoms (hot-flashes, vaginal dryness, menopausal pain such as ovarian and mammalian strain). Prevent the risk of depression during menopause acting like an energizer and an anti-aging.
